Gemalto is committed to providing our customers with the most advanced authentication technologies. As part of our ongoing investments in our product portfolio, Gemalto will transition the products listed above to the replacement products outlined in this document and detailed in the [“Replacement Products”](#) section.

Gemalto has developed a plan to ensure current customers a smooth transition in upgrading to the latest available Gemalto technology. If you have questions about this transition that are not addressed in this document, please contact your local account manager for more information.

## Key Dates

The following are key dates in the End of Sale process:

Milestone	Date	Comment
LAST-TIME-BUY (LTB)	June 29, 2016	
END-OF-SALES (EOS)	June 30, 2016	<p>Due to the limited availability of hardware components, Gemalto will fulfill LTB orders as follows:</p> <ul style="list-style-type: none"> <li>• Gemalto will make every effort to fulfill all orders placed during the LTB period.</li> <li>• Orders placed during the LTB period will be processed on a first-come first-served basis</li> <li>• Orders will not be accepted after the LTB end date</li> </ul>
END-OF-LIFE (EOL)	June 30, 2017	

## Middleware Support

---

New releases of SafeNet Authentication Client will continue to support hardware tokens that have been declared End of Sale for three years from the token EOS date. After this three year period, EOS tokens will continue to be fully supported on the previous middleware version for another 12 months and for the next 12 months after the full support ends will receive Good Faith support.

## RMA Policy

---

RMA & hardware replacements after the Last-Time-Buy (LTB) will be with replacement product. RMAs for products under warranty will be offered only if components are reasonably available. Hardware replacements where deemed appropriate after the Last-Time-Buy (LTB) will be with replacement products. Gemalto will continue to provide email support to the extent reasonably practicable without providing product releases and quality updates, and Gemalto provides no guarantee that a problem with the said product can or will be resolved. Gemalto will not guarantee Failure Analysis (FA) and Corrective Action (CA) reports on these products. Gemalto will review each unit returned on a case by case basis and determine what type of FA / CA is justified given the age and condition of the product.
