## Overview

---

The purpose of this bulletin is to announce End-of-Sale (EOS) and Last-Time-Buy (LTB) plans for the following products:

- SafeNet Authentication Manager OTP tokens
- SafeNet Authentication Manager maintenance contracts for OTP tokens
- SafeNet Authenticator Manager licenses sold only with OTP tokens

### **NOTE:**

SafeNet Authentication Manager (SAM) supports certificate-based authentication (CBA) using Gemalto smart cards and PKI USB authenticators, OTP authentication using Gemalto's MobilePASS OTP app and OOB authentication via SMS and email.

This End of Sale notification applies to SafeNet Authentication Manager licenses and tokens that utilize **OTP authentication methods**.

Gemalto is committed to providing our customers with the most advanced authentication technologies. As part of our ongoing investments in our product portfolio, Gemalto will transition the SAM OTP products listed above to the replacement products outlined in this document and detailed in the "[Replacement Products](#)" section.

Gemalto has developed a plan to ensure current customers a smooth transition in upgrading to the latest available Gemalto technology. If you have questions about this transition that are not addressed in this document, please contact your local account manager for more information.

## Key Dates

The following are key dates in the End of Sale process:

Milestone	Date	Comment
LAST-TIME-BUY (LTB)	May 30, 2019	
END-OF-SALES (EOS)	May 31, 2019	<p>Due to the limited availability of hardware components, Gemalto will fulfill LTB orders as follows:</p> <ul style="list-style-type: none"> <li>• Gemalto will make every effort to fulfill all orders placed during the LTB period.</li> <li>• Orders placed during the LTB period will be processed on a first-come first-served basis</li> <li>• Orders will not be accepted after the LTB end date</li> </ul>
END-OF-SUPPORT	May 31, 2020	<p>Maintenance contracts can be purchased up until the LTB date, on 30 May 2019 with an end date of 31 May 2020.</p> <p>Gemalto will honor all maintenance contracts that were purchased before 30 November 2018.</p>
END-OF-LIFE (EOL)	May 31, 2020	

## RMA Policy

RMA & hardware replacements after the Last-Time-Buy (LTB) will be with replacement product. RMAs for products under warranty will be offered only if components are reasonably available. Hardware replacements where deemed appropriate after the Last-Time-Buy (LTB) will be with replacement products. Gemalto will continue to provide email support to the extent reasonably practicable without providing product releases and quality updates, and Gemalto provides no guarantee that a problem with the said product can or will be resolved. Gemalto will not guarantee Failure Analysis (FA) and Corrective Action (CA) reports on these products. Gemalto will review each unit returned on a case by case basis and determine what type of FA / CA is justified given the age and condition of the product.

## End of Sale Part Numbers

## Replacement Products

*SAM OTP customers will be offered a technical and commercial migration path to SafeNet Trusted Access. SAS PCE can be offered in cases where customers require an on-prem solution.*

### About SafeNet Trusted Access

SafeNet Trusted Access is an access management and authentication service that centrally manages and secures access to web and cloud-based applications. SafeNet Trusted Access allows organizations to easily secure cloud apps and meet risk management needs by leveraging a broad range of authentication methods to ensure secure remote access, secure network access and secure cloud and web-app access. SafeNet Trusted Access supports numerous authentication methods including: Push OTP, OTP app, OTP hardware tokens, SMS via mail and phone, PKI credentials, Google authenticator, pattern-based authentication, Kerberos and passwords + context-based authentication.

SafeNet Trusted Access is sold as a subscription. A basic SafeNet Trusted Access subscription includes:

- Service subscription
- One OTP hardware token
- Up to 5 OTP / software tokens that can be installed on multiple devices

For more details, please refer to the [SafeNet Trusted Access Web Page](#) or contact your Gemalto Account Manager.

## Contact Us

If you have additional questions or need help, please contact your local account manager or one of our regional offices. For more information go to: <http://www.gemalto.com>.
