Overview

The purpose of this bulletin is to announce SafeNet's End-of-Sale (EOS) plans for the SafeWord 2008 and SafeNet Authentication Manager **Express** (SAMx) authentication solutions.

Key Dates

The following are key dates in the End of Life process:

Milestone	Date	Comments
Initial communication on End of Sale Intent	15 April, 2016	
Last time buy of SafeWord Licenses	14 November 2016	SafeWord 2008 and SafeNet Authentication Manager Express (SAMx) licenses will be available for sale until <u>November 14, 2016</u> .
END-OF-SALE (EOS) Effective	15 November 2016	Effective <u>November 15, 2016</u> SafeWord 2008 and SafeNet Authentication Manager Express (SAMx) will no longer be available for sale.
Last time support renewal	Up to 14 November 2017	<ul style="list-style-type: none"> Support contracts can be renewed until 14 November 2017 in increments of less than a year. All support contracts sold before the EOL date must end by November 14, 2017. For example: A customer whose support expires in March 2017 will be able to renew for the 8 months leading up to EOL and End of Support on November 14, 2017
End of Support Effective	15 Nov, 2017	
End of Life Effective	15 Nov, 2017	

Replacement Products

Replacement Products

SafeNet has planned for a smooth transition to enable customers get access to the latest authentication technology. To this end, SafeNet is implementing a dedicated migration program that includes both a technical and commercial path for customers enabling customers to smoothly migrate to SafeNet Authentication Service. For details on migrating to SafeNet Authentication Service, please contact your SafeNet account manager.
